Beloved Friends of L/L Research,

We cannot possibly thank you for all of your support over the years of L/L Research. You have been most generous in supporting our attempt to share love and light with spiritual seekers around the world for free. This was Don Elkins' dream. And it could not have been achieved or sustained without you. We are here again to ask you if you might consider continuing your financial support of our work for another year. Here are just a few of the services your donations supported this year:

L/L RESEARCH

- Published L/L's first ever audiobook! *Living the Law of 101* narrated by Jim. Available at Audible.com.
- Published translated books and transcripts in Czech, Italian, Polish, Spanish, German, French, Russian. The first three making their debut and expanding the available languages to twelve.
- Held our annual Homecoming Gathering, for the first time reaching max capacity in a week and a substantial wait list accumulating thereafter. Planning a second annual event beginning Spring, 2018!

And the services we were able to continue:

- Holding public meditations and channeling sessions, publishing new transcripts every two weeks.
- Recording Jim reading L/L's published books for eventual publication as audiobooks.
- Hosting our weekly *In the Now* podcast where we respond to seekers' questions from around the globe.
- Offering the *Basic Principles of the Law of One* online course with Jim McCarty as instructor.
- Offering a Channeling Intensive cycle to teach a new generation.
- Working on publishing *The Ra Contact: Teaching the Law of One*. *Definitely* due in 2018.
- Making available an archive website that offers a free library of everything we've ever produced (books, transcripts, podcasts, interviews, speeches, audio, translations in twelve languages).
- Hosting a community website with forums, chat rooms, messaging, and other great features that facilitate seekers connecting with one another.
- Sharing the Confederation philosophy through social media outlets Facebook and Twitter.
- Serving incarcerated seekers through a prison ministry.
- Responding to every email and letter sent to us from seekers around the world.
- Making daily reports of the work in *The Camelot Journal*.

Your donations help us maintain these services and more. Through donating, you enable other seekers to find the inspiration and peace we hope to share. We are happy to receive any amount of donation from a dollar on up. All donations are tax-deductible as we are a 501(c) (3) non-profit organization, and all donors will receive a tax receipt. We could never do this work without your help. If you are able to donate, you may do so by either:

1. Visiting the Donations section of our online store: <http://bring4th.org/store/> or by
2. Sending a check or money order to: L/L Research, P.O. Box 5195, Louisville, KY. 40255

It is our honor/duty to carry on the work that Don Elkins and Carla L. Rueckert began many years ago. We vow to continue what they started, however challenging the outer circumstances in the world may become. A philosophy of fearlessness that directs the eyes to the infinite and eternal within the self is needed now more than ever. We thank you so much for helping us to share love and light around the world.

Blessings in that same Love & Light,
Jim McCarty for Gary Bean, Austin Bridges, and the global network of volunteers of L/L Research
